Glow

Optical USB Notebook mouse

Dicota's new mouse emerges in three modern colors – bronze, grey and blue. Aside from the trendy design the USB Notebook mouse Glow features a resolution of 800 dpi thanks to an optical sensor, which makes for precise operating on various surfaces. Depending on the requirements, the retractable USB cable can be adjusted to the perfect length, thus offeriing mobile users additional flexibility. The mouse is equipped with 3 buttons including a scroll function. The glowing scroll button is a further optical variety. Glow captivates with its small and handy form and presents itself as the perfect companion on the go.

Retractable USB mouse
800 dpi optical sensor
3 buttons incl. scroll function
